

C truck driver distribution

Do you like variety in your day? Of a family atmosphere? And of tip-top maintained material? Then this job is really something for you!

You are an adventurer: You like to discover new paths, keep your head cool in every situation and are always looking for the most suitable solution. You focus on safety, eco-driving and customer-friendliness.

So many loads, so many journeys: no day is the same at Gheeraert. You know how to tackle things and you ensure that the loading and unloading of goods goes quickly and smoothly.

You like a family atmosphere: saying good morning, helping each other and being involved in your work. You are helpful, straightforward and respectful. You take care of your truck and equipment.
